Dear Mr. Weisberg,

Box 716

Hello! How are you doing? I'm back at school ~~now~~ now and I'm real busy. I decided to write to you, since I had a little time, so I could find out how you've been, and to fill you in on a little bit of my summer.

I spoke with Dustina, when I returned to school and she said that you weren't in too good of health during the summer. I hope that you are doing better now. How did your interview for the Oliver Stone ~~story~~ story go? ~~How~~ How is your book coming along? Hopefully, both of these are fine.

My summer went well. I worked all ~~summer~~ summer for the attorney by my house. I find I continue to learn more and more as I grow older and am given more responsibilities in my jobs. I also took a trip to Puerto Rico for a friend's wedding.

It is a beautiful island. The water is clean + clear, and I could even see the bottom of the ocean. Other than this trip, I just basically stayed at home or visited friends and family close by.

I would like to come by and visit you and Mrs. Weisberg sometime in the near future, if that would be possible for you. I missed you both, because you're wonderful people and are like my grandparents away from home. I enjoyed visiting + working with you, and all the stories and information you used to tell me. I hope I wouldn't be too much of a reissance if I come by to visit both of you every once in while, just to talk and keep in touch. Well, I'll let you go for now. If you would like to get in touch with me, my number this year is 696-3373.

Helen
